I understand my role in the project and the tasks assigned to me

1. What do you consider to be the main strength of this project meeting?

- I could not follow the meeting due to Zoom failure.
- Collaboration and share expectations.
- The big effort of coordinator Prof. Duran Canatan
- Hemoglobinopathy is an important public health problem and has a similar importance in other Mediterranean countries.

2. Can you see any weak points or problem areas for the project that should be tackled as soon as possible?

- I did not attend.
- Zoom platform was not easy in terms of presentations.
- The number of genetic centers should be increased.

3. What suggestions can you make for improving the working procedures of the partners' meetings and measures to take for solving the problem(s)?

- It is better face to face workshop

4. Are there any particular items in particular that you wish to have placed on the Agenda of the next Transnational Project Meeting?

- Nothing in , may be how we can use take project budget.
- Scan center visit can be nice

5. Do you have any observations, comments or recommendations that may be beneficial in progressing the project?

- To avoid zoom system future meeting
- To continue on this time
- Everything is very well thought out and organized. Thanks.
